NanoDrop ND-1000 Sample Submission Form

Cost per sample is \$5.00 (CDN)

Clearly fill in the following information:

Date of submission: _____

PI Name & Institution: _____

Billing Address: _____

Phone number: _____

Email address (where results will be sent): _____

- Please provide enough sample to allow for at least 2 measurements (1 μ l per measurement for RNA and DNA, 2 μ l per measurement for proteins)
- Please bring a tube containing some of your buffer/solvent to use as a blank or *in case* your sample needs to be diluted. The concentration of the samples should be between 2 and 3700 ng/ μ l (for dsDNA).
- Please attach a list/spreadsheet detailing: sample designations, sample type (RNA, DNA, protein, cells), estimated concentration, purification/isolation method, buffer/solvent used.
